The Human Resource  
Cobblestone Energy  
Kampala-Uganda

Dear HR Manager

This letter is to express my interest for Backend Developer position at Cobblestone Energy Uganda. With a Bachelor's degree in Computer Science, exceptional technical and analytical skills, with an experience in software development, hardware maintenance, database management, information system support, security, network and server support.

I enjoy being challenged and engaging with projects that require me to work outside my comfort and knowledge set, as continuing to learn new languages and development techniques important to me and the success of the organization.

You will find me to be a positive, motivated and hard-working person who is keen to understand company needs and contribute. I have excellent communication skills that allow me to work effectively and positively with staff and external stakeholders.

I've attached a copy of my resume that details my projects and experience in software development. I can be reached anytime via my cell phone, +256 703196362/+256 789491833 or via email at muhwezigerald4@gmail.com.

Thank you for your time and consideration.

Sincerely,

Muhwezi Jerald
